## Digital Toolkit

The blocks of this digital toolkit can be done individually or collectively, and are aimed at young people aged 12-15. To ensure media literacy and that students are able to fight against misinformation, we recommend completing the entire pathway.

In each block you will find the corresponding activities, the lesson plan for trainers and some resources that go deeper into the topic.

# 3. Report final results

- Publish date: expected in April 2023
- Presented and discussed: events to be organised around that time

A low-angle, upward-looking photograph of a group of people gathered around, each holding and looking at their smartphone. The scene is brightly lit, creating a warm, yellowish glow. In the center, a solid pink rectangular banner spans across the image, containing the word "Questions?" in white, sans-serif font. The people are partially visible, showing their hands, arms, and some clothing like a plaid shirt and a watch.
