A person is using a laptop. The screen displays a user interface for a bootcamp program. The interface is organized into columns and rows of icons and text. The top row includes 'Tijdsplan / Inhoudsdelen / ...', 'On campus contact-moment', 'Buiten de contact-momenten', and 'On campus contact-moment'. Below this, there are more icons for 'On campus contact-moment', 'Buiten de contact-momenten', and 'On campus contact-moment'. A central button says 'Quiz over HC' and 'Kennisclips'. Below that is a 'Hoorcollege' section. At the bottom, there is a 'NU LERVEN' logo and some text. The person's hands are visible, one on the keyboard and one pointing at the screen.
